

# Village Green Market Talks and Demos Saturday 10 April

Enjoy free entry to the Village Green to experience market stalls, displays and children's activities. Take the opportunity to speak to local producers and artisan stall holders, or listen to talks on aspects of small farming.

## TALKS and DEMOS

9.30	<b>Paddock-to-Plate sourdough with One Table Farm</b> - introduction and mini demo on making your own sourdough.
10.30	<b>"Healthy soil &gt; nutritious food &gt; good health and longevity"</b> with <b>Adrian Williams of the Blackwood Valley Small Landholders Group</b> - learn how to improve the soil health on your patch.
11.30	<b>How can we plan for land regeneration? With Charles Otway of Terra Perma Design</b> - small-scale farm planning using a more holistic and ecological approach.
12.30	<b>Step into the world of trees, with local arborist Jolyon Elliott</b> – an introduction to the world of growing, managing and ultimately enjoying trees on your property.
1.30	<b>Introduction to backyard beekeeping, with Balingup local Anish Shah</b> - Anish will introduce you to the wonder and world of bees, and getting started with beekeeping.
2.30	<b>Food growing and sustainable living with Charles Otway of Terra Perma Design.</b>

## Kids GROW Zone

Kids can explore all things gardening at the Kids GROW Zone. Join in with these scheduled activities - gold coin donation, no bookings, all ages, parent supervision required.

9.00-11.00	<b>Bee Hotels</b>
11.00-1.00	<b>Bird Feeders</b>
1.00-3.00	<b>Seed Bombs</b>
